

Artspace Galleries Call for Exhibition Proposals

The Art Association of Jackson Hole accepts and considers exhibition proposals on an ongoing basis as part of its mission to encourage a vital, creative community. The free contemporary art exhibition programs presented in the Artspace Main, Loft, and Theatre Galleries enhance the creative and educational environment of the organization and showcase a balance of local, regional and national artists. The Exhibition Committee of the Art Association considers complete exhibition proposals on a periodic basis.

Exhibition Guidelines

All artists, individuals or collaborations are invited to submit a proposal. Galleries available for proposals may include the Artspace Main, Loft, and Theatre Galleries. They are located in the Art Association, within the Center for the Arts.

- The Theater Gallery connects the Performing Arts and Arts & Education wings of the Center for the Art. It is highly viewed during performances and events within the Center as well as on a daily basis. It does not have a security system and is accessible during general Center building hours.
- The Main Gallery is open during Art Association hours and has a formal security system.
- The Loft Gallery is generally a photography gallery; it is located directly above the Main Gallery.
- A gallery floor plan is attached with further descriptions of each space.
